GREATER ROCHESTER CHAMBER *of* COMMERCE

TANYA HERVEY, IOM
President & CEO

October, 2026

Dear Members and Community,

On behalf of our Board of Directors and staff, welcome to the Greater Rochester Chamber of Commerce Business Referral & Resource Directory.

For nearly 100 years, the Greater Rochester Chamber of Commerce has been helping businesses connect, grow, and succeed. Today, we proudly represent nearly 400 businesses and organizations that are investing in a stronger local economy and a thriving community.

This directory is more than a listing of businesses—it's a resource designed to help you discover trusted local companies while showcasing the businesses that make our region such a great place to live, work, shop, and do business. Whether you're looking for a contractor, restaurant, financial institution, healthcare provider, retailer, or professional service, we encourage you to support the Chamber members featured throughout these pages.

At the Greater Rochester Chamber, we believe membership should work for our members every day—not just when they attend an event. Through business referrals, advocacy, marketing opportunities, online visibility, community connections, workforce resources, educational programming, and countless behind-the-scenes efforts, we are continually working to help our members succeed and strengthen the business community we all share.

Members can easily keep their business information current by logging into their Member Portal at www.rochesternh.org. The portal allows members to update their directory listing, add representatives, post job openings, submit community events and news releases, share special offers, register for Chamber events, and take advantage of the many tools available as part of their membership.

Inside this directory, you'll also find information about the Chamber, our leadership, staff, community resources, and organizations that contribute to the vitality of the Greater Rochester area. We hope you'll keep this guide close at hand throughout the year and return to it often.

Thank you for supporting local businesses and for choosing the Greater Rochester Chamber of Commerce as your trusted business resource. We are honored to serve our members and our community, and we look forward to continuing that tradition for many years to come.

Sincerely,

Tanya Hervey, IOM
President & CEO
