CENSUS SOLUTIONS WORKSHOP February 7

United States®
**Census
2020**

You are invited to attend a **Census Solutions Workshop** on **Friday, February 7, 2020** from **7:30 to 9:30 am** at the **Frisbie Memorial Hospital Conference Center**. A light breakfast will be served.

Nicole McKenzie of the New York Regional Census Center will provide information on the US Census, its importance and offer ways to help spread the word to obtain an accurate count with the 2020 Census.

Did you know that NH received \$3.7 billion guided by data derived by the 2010 Census?

From planning, roads, infrastructure, social services and economic development, including USDA loans/grants, business and industry loans, etc. the 2020 Census is vital. As many federal grants are based on the Census count, ensuring that each resident in our state is counted ensures that NH receives its fair share of funding. Rochester can use your help to spread the word to get an accurate count.
